

Where can I find my student number?

To find your University Student Number (USN) you will need to log into the CamSIS self-service (<https://camsis.cam.ac.uk/psp/ravenprod/?cmd=login>) and click on the Personal tile.

This will take you to a screen where you can update your personal information, at the top of this screen your student number is listed under the heading **USN**.

Where can I find my employee number?

Log into the Employee Self-Service portal (https://chris.cam.ac.uk/hr_live_ess/). Select the Employment tab at the top of the screen, your current job details should be visible on this page. Click on your job details and a new window will open, your employee number is displayed under **Personal reference**.
